Re: PED Annual Report

Section 125.3819 of the Michigan Planning Enabling Act ([Public Act 33 of 2008, as amended](#)) requires the Planning Commission to prepare an annual report documenting its operations and status of planning activities. The PED Department has expanded the scope of the report to further document the activities of all of the boards and commissions staffed by the PED Department and the administrative plan reviews of the PED staff. By doing so, the report provides a more complete picture of the Planning, Zoning and Economic Development activities in the City. The attached report fulfills the state obligation for 2018 and provides information on future goals and priorities planned for 2019. This report also completes one of the required actions needed for certification by the MEDC to become a Redevelopment Ready Community (RRC).

Staff asks that the Planning Commission and City Council review the attached report and offer any suggested edits. The Planning Commission is asked to accept the 2018 Planning and Economic Development (PED) Annual Report. The report is expected to be considered by the City Council for their acceptance at the February 11, 2019 regular Council meeting. Below is a motion for consideration for Planning Commission acceptance:

MOTION by _____, seconded by _____, the Rochester Hills Planning Commission hereby accepts the 2018 Annual Report for the Planning and Economic Development Department.
