Legislative File No: 2020-0073

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P. E., Director of Public Services
DATE: March 16, 2020
SUBJECT: Adoption of a Street Resolution – Woodland Crossing

REQUEST:

Adoption of a street resolution to place newly constructed Andlaur Drive, within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.

BACKGROUND:

The resolution is for newly constructed street within the existing Oakland County Condominium Subdivision Plan No. 2275, to the Master Deed of “Woodland Crossing”, located in Section 25 of the City of Rochester Hills.

The State of Michigan requires that a street resolution be adopted by the governing body in order to place a public street into the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951 (as amended). In 1999, the State initiated that all public streets, including those within platted subdivisions, must have an adopted street resolution by the jurisdictional road agency.

A certified street resolution will need to be returned to the Michigan Department of Transportation (MDOT), accompanied with City Mileage Certification, Act 51 Reports. Upon City Council approval, please provide a certified resolution so we may include the resolution within our ACT 51 City Mileage Certification Reports for mailing this year.

RECOMMENDATION:

The Department of Public Services recommends adoption of this resolution to place newly constructed Andlaur Drive within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.
