OUR YEAR AHEAD
With the continued support of our sponsors and volunteers we are able to further our mission of prevention of juvenile delinquency through community involvement to make a difference.

Avondale Youth Assistance Mission Statement
To strengthen youth and families and to reduce the incidence of delinquency, abuse, and neglect through community involvement.

Avondale Youth Assistance (AYA) is a non-profit community service organization committed to strengthening youth and families and reducing the incidence of juvenile delinquency, child neglect and abuse through community involvement. This mission is accomplished through the longstanding relationship with the Avondale School District, local municipalities and the Oakland County Circuit Court-Family Division which provides a caseworker to offer counseling to children and their families in Avondale. A board of community volunteers supports this mission by providing programs for Avondale students that include Youth Recognition, honoring student volunteerism and personal achievements; Mentors Plus, matching youngsters with a caring adult; after-school and summer academic support programs and parent support programs. Camp and skill building scholarships are awarded to students experiencing financial difficulties. Drug test kits are available to parents free of charge in an effort to keep kids on the right track.

AYA operates with the sponsorship of the Oakland County Circuit Court-Family Division, the Avondale School District, the cities of Auburn Hills, Rochester Hills and Troy and the Township of Bloomfield with principal funding supplied through the Oakland County Board of Commissioners and major funding from the other sponsors. This continuing financial support enables AYA to provide programs and services to the community.

Avondale Youth Assistance does not discriminate on the basis of disability in admission or access to its programs, activities or services as required by Title II of the Americans With Disabilities Act of 1990.
