Hi Bashar,
Good job at the meeting last Tuesday. Onward! Vito might have sent this to you, but the attached email came in after your item was finished. It was forwarded to the PC members and Vito. Perhaps you might talk to Mr. Peterson before the next meeting? Someone on PC is sure to ask.
Just a heads up!!
Have a great rest of the week/end.
Maureen

good afternoon Maureen, thank you ... just got your email, I would be more than happy to answer our neighbor, the only time we have used their parking lot was when we resurfaced our parking lot a year and a half ago, and I asked the manager if I could park the cars in the back of their parking lot while they were Seal coating our parking lot,, I think he's confusing us with the people that park for Autozone since their share a parking lot together, because I have seen people work on their cars in the back of that parking lot but those are not our customers and not us those were customers From Autozone. over the years we've had cars that break down in their parking lots and we go over and bring him over to our lot after the customer comes in and ask us to work on the car. If you like you can forward him my email or even my phone number and I'll be more than happy to explain everything. My cell number is 248-860-6335, Thank you so much and have a wonderful blessed day

Respectfully yours, Bashar Iwas

Well that is downright neighborly of you! I appreciate your response very much. I will definitely pass your info along. I can also get you his email tomorrow if it wasn't shown. Thanks so much! Have a nice rest of the evening. P.S. I do the minutes for the city of Rochester so I've seen your support for some of the projects around south st. You do a great job speaking up for business. See you at the Feb. Meeting
