Hi,

I met with the church yesterday and they are lovely people. However I would not be in favor of such a large expansion in a residential neighborhood. Our family built our house in 1957 and it will remain in the family through the lifetime of my grandson and beyond. I have safety, privacy, ecology, noise concerns. Their property is too small for an 8400 sq. foot expansion plus playground.

The proposed expansion is four times the size of my house.

Best regards,

Carla Smith
