Chairperson Hooper stated that the goal was to finalize the power point presentation for the Committee's recommendation to City Council for storm water funding. He continued that Member Duperon and several Committee Members have been working diligently on the power point and asked Member Duperon to walk the Committee Members through the most recent draft of the power point.

Member Duperon concurred that the power point is ready for 'polishing' - text, animation, bullet point statements and grouping of photographs by the Committee Members. Members Duperon and Struzik displayed the previous and current drafts of the power point for comparison and writing purposes.

The Committee Members discussed the following:

- Revision of the grant information that accompanies power point pictures;
- Data information was provided by the City;
- Description of Bolt ruling;
- Reorganization of the information on each power point slide;
- Notation of dedicated funding sources for similar utilities;
- Identification of proper terminology and text;
- Request funding for additional consult support;
- Narrow the message of the power point to a couple key points;
- Review of the visual portion of the power point presentation;
- Grammar and spelling discussions;
- Text and photograph placement on each slide; and
- Color coded key words on slides;

Member Struzik noted that he had combined some of the different drafts and

special effects that the Committee Members had reviewed.

A large portion of the meeting was reviewing each slide, step by step as a Committee informal work session to finalize the visual portion of the power point.

ANY OTHER BUSINESS

NEXT MEETING DATE

- April 3, 2019 - informal presentation run-through in the auditorium.
- April 22, 2019 - Presentation to City Council

ADJOURNMENT

There being no further business before the Public Safety and Infrastructure Technical Review Committee, Chairperson Hooper adjourned the meeting at 7:46 p.m.

Greg Hooper, Chairperson

*Prepared by Christine A. Wissbrun
Recording Secretary, City Clerk's Office*
