Resolved, that the Rochester Hills City Council hereby approves the request for a Conditional Use Approval to construct a proposed drive-through at a 4,062 square-foot Culver's restaurant on 1.08 acres on an outlot on the Meijer property at the southeast corner of Rochester Rd. and Auburn Rd., zoned B-3 Shopping Center Business with an FB-3 Flex Business Overlay, Parcel No. 15-35-100-053, based on plans dated received by the Planning and Economic Development Department on July 19, 2016, Andrew Zielke, Just Burgers & Fries, Applicant, with the following findings:

Findings:

1. The proposed building and other necessary site improvements meet or exceed the standards of the zoning ordinance.
2. The expanded use will promote the intent and purpose of the zoning ordinance.
3. The proposed building has been designed and is proposed to be constructed, operated, maintained, and managed so as to be compatible, harmonious, and appropriate in appearance with the existing and planned character of the general vicinity, adjacent uses of land, and the capacity of public services and facilities affected by the use.
4. The proposal should have a positive impact on the community as a whole and the surrounding area by further offering jobs and another dining option.
5. The proposed development is served adequately by essential public facilities and services, such as highways, streets, police and fire protection, drainage ways, and refuse disposal.
6. The proposed development should not be detrimental, hazardous, or disturbing to existing or future neighboring land uses, persons, property, or the public welfare.

7. The proposal will not create additional requirements at public cost for public facilities and services that will be detrimental to the economic welfare of the community.
