Legislative File No: 2009-0047

TO: Mayor and City Council Members
FROM: Scott Cope, Director Building/Ordinance Services, 248-841-2445
DATE: February 11, 2009
SUBJECT: Solid Waste Fees

REQUEST:

City Council is requested to approve the second reading of the proposed change to the Solid Waste Fee Ordinance. This proposed change is related to the approval of the Single Solid Waste Hauler Program.

BACKGROUND:

The fees were reviewed by staff after City Council approved the Single Solid Waste Hauler Program. The current fees are different for the inspection of commercial and residential solid waste transporting units. The proposed change makes the fee for both commercial and residential the same and cleans up the language to be consistent with the new Solid Waste Ordinance adopted by City Council in 2008. City Council approved the first reading at the February 9, 2009 meeting with corrections. The corrections have been completed and the revised version is included for your packet.

RECOMMENDATION:

It is recommended that City Council approve the second reading of the proposed change to the Solid Waste Fee Ordinance.
