Legislative File No: 2007-0123

TO: City Council Members
FROM: Susan Galeczka, Deputy Clerk
DATE: February 9, 2007
SUBJECT: Citizen Representatives to the Liquor Technical Review Committee

City Council at its November 29, 2006 meeting adopted Resolution RES0412-2006 creating the Liquor Technical Review Committee. The membership of the Committee was established to include two (2) Citizen Representatives. The Clerk's Office contact Citizen Representatives who had previously served on the City Council Communication Committees to see if they were interested in serving on any of the Council Technical Committees.

Mr. Michael Kaszubski who previously served on the Community Development & Viability Committee and **Mr. Gerard Verschuere**n who previously served on the Administration and Information Services Committee have submitted Candidate Questionnaires indicating their interest in serving on this Committee. In addition, the Clerk's Office has also received a Candidate Questionnaire from **Jennifer Stein** indicating her interest in serving on this Committee.

The Clerk's Office to date has not posted for these vacancies because Council had indicated it wanted to allow the Citizen Representatives from the Council Communications Committees to have an option to serve. The action before Council is to nominate/appoint two representatives from these three candidates or direct the Clerk's office to advertise for these positions and bring forward any additional candidates at a future meeting.

As always, if you have any questions, please feel free to contact me.
