RE: Adams Rd. & M-59
Liquor License Application

Per your request, I have reviewed the application for the new Class C License to be located at Adams Rd. & M-59, Rochester Hills, known as Chili's Grill & Bar. This new tenant will be part of the Grand Sakwa development at that site.

Please be advised that the building permit for the "anchor store", Walmart, has been issued for the early stages of construction of that building. However, no other buildings have been reviewed or approved for permits at that location, including this applicant.

Anticipating that the proposed Chili's Grill & Bar will meet all necessary code requirements through the normal plan review and construction process, the Building Department has no objection to the Class C License application.
