**Legislative File No:** 2007-0317

**TO:** Mayor and City Council Members  
**FROM:** Jim Rosen, City Council President  
**DATE:** May 18, 2007  
**SUBJECT:** GSAB Recommendation

---

The GSAB made a presentation at the May 16<sup>th</sup> City Council Work Session recommending the City pursue the purchase of the following parcels:

- Recommendation 1 – totaling 14 acres
  - 7.4 acres- Cloverport
  - 4.0 acres – West Childress
  - 1.5 acres – East Childress
  
- Recommendation 2 - 35.2 acres – Mead Road

These parcels were recommended based on comparisons made to criteria related to the protection of water resources, habitat protection, steep slopes, woodlands, recreation value and natural features. In addition their contribution to the Oakland County's Spoke & Hub Strategy was considered as well as their support of the GSAB Vision. The recommended parcels also support the Master Transportation Plan and the Master Recreation Plan.

If Council is in agreement with the GSAB recommendation, the next step would be for Council to accept the recommendation and authorize the Administration to put together a negotiating team and begin the acquisition process. A resolution for your consideration has been included in the packet.

As always, if you have any questions or concerns, please feel free to contact me.
