Legislative File No: 2007-0411

TO: Mayor and City Council Members
FROM: Jane Leslie, Clerk 2461
DATE: June 14, 2007
SUBJECT: Class C Liquor License – New From Quota, Los Cuatro Amigos

REQUEST:

A request for a New from Quota Class C license was received from Los Cuatro Amigos, Inc. for a new Mexican restaurant to be located at 870 S. Rochester Road. This is the site of the former Family Buggy. The applicants are Chery Fields, Mark Fields and Federico Gomez.

BACKGROUND:

The applicants submitted their application, fees, and plans for their proposed restaurant. The applicants advised that they were redeveloping the site of the former Family Buggy. They are doing minor renovations that are for the most part cosmetic. The application was reviewed by the Building, Fire and Sheriff's Departments with no objections. The Liquor License Technical Review Committee met on May 7, 2007 to review the application and met with the applicants. There was discussion related to the number of licenses available (2) from quota. The committee agreed this would be a good reuse of a location, however, they did not come to a consensus as to approval or denial of the request. There was additional discussion with a follow-up letter regarding the new Liquor License law regarding the Development Districts Act from the applicants' attorney. At this time, the City Council has not directed action regarding this matter.

RECOMMENDATION:

The Liquor Technical Review Committee did not reach consensus as to a recommendation. As a result, this item comes to City Council for their determination of approval or denial. Two resolutions are included in the packet.
