TO: City Council Members
FROM: James Rosen, City Council President
DATE: June 22, 2007
SUBJECT: Environmental Oversight Committee (EOC) – Additional Member

City Council at its June 2, 2006 adopted Resolution RES0208-2006 creating the Environmental Oversight Committee (EOC) to oversee the environmental cleanup at the Adams/Hamlin and Madison Park /REI sites. The Committee consists of Two Council Members and Administrative Staff members as designated by the Mayor.

The Committee has been meeting on a regular basic and has determined that the Committee and City would be well served with the input and insight of a Brownfield Redevelopment Authority (BRA) Member. Therefore the Committee is recommending Council change the make-up of the EOC to add a BRA Member who would be appointed by the BRA.

A resolution has been included for your consideration. As always, if you have any questions or concerns, please feel free to contact me.
