

Overview of Original Draft Adjustments

The following is a description of minor changes to the original draft of the Property Maintenance ordinance. These changes are reflected in the final draft of the Property Maintenance ordinance, which is being presented for first reading at the Regular Meeting of the City Council on August 8, 2007.

- The additional language regarding the prohibition of placing a vehicle for sale within 100 feet of a road right of way with a speed limit exceeding 25 mph, has been added to Section 18 (b)(2) on page 18.
- The exemption for noxious weeds in natural landscaped areas, Section 84-17 (b) (5), has been deleted.
- Staff has determined not to require the registration of properties as “natural landscaped areas”, as suggested at the workshop on August 1, 2007. It is believed that over time these properties will be identified and itemized on a “do not cut” list for city weed contractors.
