To: Rochester Hills Planning Commission

Upon discussing with petitioner the intent of the proposed development directly to the east of my property on Hamlin Rd. As owner of parcel #15-28-226-001 (approximately 4 acres and a house) near this re-zoning, I would be in support of the re-zoning.

This could eliminate the extra driveway along Hamlin Rd. and be a perfect transitional zoning between myself, the industrial and the churches along Hamlin and Liveroos.

We would not be opposed to an unscake condo development similar to other we have seen by the petitioner which would be harmonious with the surrounding properties.

I do trust the intent of the petitioner, and know he'll develop the site as promised, and that he will work with all parties involved to insure its proper aesthetic quality.
