

## **City Council Agenda Summary Sheet (Non Purchases)**

**Agenda No:** 2005-0501  
**Date:** June 1, 2004  
**Prepared By:** Joe Snyder – Fiscal – (248) 841-2534  
**City File No:** N/A

**Meeting Date:** June 16, 2004

---

### **PURPOSE:**

I recommend that City Council change the description on Community Development Block Grant (CDBG) Program Year 2002 - Parks & Recreational Facilities (Activity Number 3436) to also include within the description the installation of an ADA approved pathway at Veteran's Memorial Pointe.

### **DISCUSSION:**

The City of Rochester Hills currently has a grand total of \$90,000 (split amongst three different years of CDBG program funding) that the City will use to fund the installation of vault toilets at Veteran's Memorial Pointe and Bloomer Park this Fall 2004 season.

It is recommended that City Council amend the current funding description of Program Year 2002 to also include the installation of an ADA compliant pathway that will lead from the current parking lot to the newly installed Vault Toilet at Veteran's Memorial Pointe.

By adding the pathway installation to the Program Year funding description, the City of Rochester Hills can use CDBG funds for the installation of the pathway instead of using City funds for construction. Preliminary estimates for the small pathway section are approximately \$5,000.

### **FISCAL INFORMATION:**

If City Council approves this item, there will be no Fiscal Impact. All costs incurred will be completely reimbursed by Oakland County and HUD through the CDBG program.

If City Council does not approve this item, the City can choose to pay for the pathway section by using City funds or the City can chose to not construct the pathway section.

### **RECOMMENDATION:**

I recommend that City Council change the description on Community Development Block Grant (CDBG) Program Year 2002 - Parks & Recreational Facilities (Activity Number 3436) to also include within the description the installation of an ADA approved pathway at Veteran's Memorial Pointe.

**ATTACHMENTS:**

There are none.
