Bev,

Attached is a copy of my candidate questionnaire already on file with the Clerk's office. I am still awaiting word on the Cemetery Committee, as well.

I am very interested in serving on the HDC, for obvious reasons. Please see that City Council receives this in their Wednesday supplemental info.

I will be attending Wednesday's meeting.

Lois Golden

Dear Lois:

I wanted to thank you for all of your support for the Rochester Hills Museum at Van Hoosen Farm during your years of service on the Rochester Hills City Council. For years you were the lone voice of concern for cultural and historical resources in our community. Your years on the Historic Districts Commission allowed the property at 71 N. Livernois to be saved and the Clubhouse at the Rochester Golf Course. Your interest in research has allowed us to clarify the history of our historical sites and it has certainly allowed me to understand the rich history that surrounds us. You have a wonderful ability of being able to communicate to our residents and I would hope that you would stay active in shaping the direction of our community.

As an employee of the City, as a person who deeply cares about our historical and cultural resources, and as a friend – thank you!

Happy Holidays to you and Erika!

Sincerely,

Patrick J. McKay
Supervisor of Interpretive Services
