Dear Goose Program Participant:

Enclosed you will find the 2008 information and applications for this year's Goose Program(s) and a list of licensed private contractors. Please complete the application and mail by the deadline to be included in this year's program(s).

Also, please attach a copy of your 70% signatures or township resolution to your application. Signatures are valid for a period of 5 years. Resolutions are valid for only that year, unless they specifically state they are valid for the full 5 years. Check with your local Township to see if they have a resolution in place for this year.

All nest destruction applicants must attend a mandatory training session prior to receiving a permit, unless hiring a nuisance control agency to conduct the work. For those new sites that need to attend training, please check the appropriate box on the application and the training information and dates will be sent to you at a later date. Training for Nest destruction will take place in early April. There is no cost to attend the program

If you have any questions feel free to contact our district office at (248) 359-9040 or myself at (248) 328-8113.

Mail your Applications to:
MDNR Holly Rec Area – Attn Wildlife
8100 Grange Hall Rd
Holly, MI 48442

Sincerely,
