

City Council Agenda Summary Sheet (Non Purchases)

Agenda No: 2004-0624 – Change Work Session to Regular Meeting
Date: July 16, 2004
Prepared By: John L. Dalton, City Council President
City File No: N/A

Meeting Date: July 21, 2004

Because of the number of agenda items that were brought forward for the July 21st meeting and because many of the items on both the July 21st and July 28th meetings may request extensive discussion by Council, I have decided to remove a number of the items from the July 21st meeting and place them on the July 28th agenda. In order for Council to be able to take action at the July 28th meeting, it needs to change its meeting from a Work Session to a Regular meeting. A resolution has been included for your consideration.

If you have any questions or concerns, please feel free to contact me.
