Agenda No: 2004-0469 – Local Road Millage
Date: August 13, 2004
Prepared By: Susan Galeczka, City Council Liaison
City File No: n/a

Meeting Date: August 18, 2004

City Council at its special meeting of July 14, 2004 adopted Resolution 0216-2004 approving the placement of a request for up to 2.9213 mills over the next ten (10) years millage proposal on the November 2, 2004 General Election ballot for the local street program to provide for the maintenance, repair, snow plowing, repaving and reconstruction of residential streets and directed the City Attorney to prepare the proposed ballot language. John Staran has prepared the proposed ballot language and is ready for Council's approval.

Because the ballot language has to be to the County by August 24th, this is the last regular meeting for Council to take action to meet that deadline.
