Legislative File No: 2010-0292

TO: Mayor and City Council Members

FROM: Scott Cope Director Building Department
Robert White Supervisor Building Department

DATE: July 20, 2010

SUBJECT: Schedule of Civil fines, Section 66-37(c)

REQUEST:

Staff is requesting that the listed section of the Schedule of Civil fines be amended to reflect changes in fines, to delete ordinance sections that have been recently repealed, and add sections of ordinances that have been recently enacted.

BACKGROUND:

Staff and the City Attorney have determined needed updates to the Schedule of Civil fines. Section 18-533, and section 106-124&125 have been repealed. These ordinances have been relocated to the Property Maintenance Code. The Property Maintenance ordinance, and the Sidewalk ordinance pertaining to snow removal, will be added in the schedule. Staff is recommending that the "First Repeat Violations" that are currently listed at \$90.00, be amended to \$150.00, to make the column of fines consistent. The amendment was presented and approved for first reading at the July 19, 2010 regular meeting of City Council. The amendment is now presented for second reading at the July 26, 2010 regular City Council meeting

RECOMMENDATION:

Staff recommends that City Council approve for second reading the amendment to the Schedule of Civil fines.
