

City Council Agenda Summary Sheet (Non Purchases)

Agenda No: 2004-0752 Traffic Control Order
Date: September 15, 2004
Prepared By: Janice Dearing, DPS-Engineering, Ext. 2184
City File No: YS-92

Meeting Date: September 22, 2004

PURPOSE:

Request City Council Approval for Traffic Control Order No. YS-92, here attached, which has been issued by the Transportation Engineer. The signing to implement the order has been installed by Traffic Operations Staff.

DISCUSSION:

The Advisory Traffic and Safety Board was scheduled to consider the Traffic Control Order at their September 14, 2004 meeting. However, this meeting was cancelled due to lack of a quorum.

FISCAL INFORMATION:

Not applicable.

RECOMMENDATION:

We request that City Council approve of the continuance of the Traffic Control Order beyond its initial 90-day effective period. The expiration date is October 16, 2004.

ATTACHMENTS:

- a. Traffic Control Order YS-92
 - b. Advisory Traffic and Safety Board Notice of Cancellation
 - c. Draft Council Resolution of Approval is in Legistar
