

## **City Council Agenda Summary Sheet (Non Purchases)**

**Agenda No:** 2004-0794 Council Information for City Website  
**Date:** September 17, 2004  
**Prepared By:** Margaret Strate, Administrative Secretary  
**City File No:** N/A

**Meeting Date:** September 22, 2004

---

### **DISCUSSION:**

On September 8, 2004 I distributed a memo and survey to all City Council members requesting that they contribute biographical information to be used for the new City website. Subsequently, it was brought to my attention that not all Council members agree with the categories of information suggested for inclusion.

### **RECOMMENDATION:**

That the full City Council discuss the matter at a regular meeting and determine the information they, as a group, deem appropriate for use on the City's new website.
