

## **City Council Agenda Summary Sheet (Non-Purchases)**

**Agenda No:** 2004-0861  
**Date:** October 4, 2004  
**Prepared By:** Joe Snyder, Fiscal – x2534  
**City File No:**

**Meeting Date:** November 3, 2004

---

### **PURPOSE:**

I recommend that City Council request a one-year waiver of recapture for \$32,000 of Program Year 2002-03 Community Development Block Grant (CDBG) funding.

### **DISCUSSION:**

Funding was originally established in 2001 to assist eight (8) low and moderate-income homeowners residing in the Ashcroft, Hillview, Midvale and Devondale subdivisions with their Special Assessment Paving costs (8 x \$4,000 = \$32,000).

These paving projects have not occurred and are not planned for within the next one-year time horizon. These funds are now in danger of being recaptured by Oakland County Home Improvement Division unless City Council requests a one-year waiver to protect the funds.

In the future if there is interest in establishing special assessment districts in these locations, future CDBG funds can be allocated for that purpose.

### **FISCAL INFORMATION:**

No Impact. All expenses are reimbursable through Oakland County and the Department of Housing and Urban Development (HUD).

### **RECOMMENDATION:**

I recommend that City Council request a one-year waiver of recapture for \$32,000 of Program Year 2002-03 Community Development Block Grant (CDBG) funding.
