---

City Council Members have received a copy of a memorandum from Ed Anzek, Planning and Development Director, dated October 6, 2004 sent to the Sign Board of Appeals regarding the Sign Ordinance indicating that there is an interest in having a Joint Meeting with City Council and the Sign Board of Appeals to discuss areas of the Sign Ordinance that might be improved.

After discussions with Mr. Anzek, we have decided that it would make sense to have the Joint Work Session with the Sign Board of Appeals prior to the Regular City Council Work Session of Wednesday, October 27, 2004 beginning at 7:30 PM. Sign Board of Appeal Members have been contacted and that appears to be a good day for them. After the adjournment of the Joint Work Session with the Sign Board of Appeals, Council would then convene to its Regular Work Session.

If Council concurs, then according City Council's *Rules of Procedure, Article III, Section .01, Regular Meetings, c(ii)* "changes to the meeting schedule shall be made by adoption of resolution by City Council." Therefore Council would need to adopt the proposed resolution to change the meeting time from 7:30 PM to "immediately following the City Council/Sign Board of Appeals Joint Meeting".

As always, if you have questions or concerns, please feel free to contact me.
