COUNCIL COMMITTEE REPORTS

Mr. Duistermars indicated that the upcoming Public Safety Committee meeting scheduled for November 1st will likely be rescheduled to November 8th, due to the General Election on November 2nd. He stated that he would like to arrange through the Clerk's Department a "town hall"-type format for the November 8th meeting and invite all of the full-time firefighters and paid-on-call firefighters to discuss various issues concerning the City's Fire Department.

Ms. Hill requested that the Community Development & Viability (CDV) Committee bring forward information from their meeting regarding the roadside stands and Christmas tree lots ordinance. She stressed that she did not want the Committee to make any decisions regarding the ordinance prior to receiving City Council's "feedback" on the issue.

Mr. Barnett, noting that the author of the letter Council received asking that the roadside stand issue be examined would be invited to attend the next CDV meeting, assured Council that this meeting would be for "information gathering" purposes only and that he has no intention of it "being an ordinance change."

Mr. Barnett further noted that the City's continued participation in the NO-HAZ program would be examined at the next CDV meeting as well.
