SUBJECT: Solid Waste Single Hauler Survey

REQUEST:

The single waste hauler issue is on the City Council's list of Goals and Objectives for 2008. Based on Council's direction the administration has conducted a survey of local communities to determine how they are dealing with solid waste.

BACKGROUND:

The administration conducted a survey of 13 Oakland and Macomb county communities to find out what type of solid waste collection program they have. The survey result, along with a cover memo with a brief synopsis of the survey, has been provided for City Council review and discussion.

RECOMMENDATION:

It is recommended that City Council review the solid waste survey and provide the administration with direction on how to proceed with the solid waste issue.
