Date: 01/06/2005

City File No:

Meeting Date: February 2, 2005

PURPOSE:

City Council is requested to authorize the purchase of ten (10) new GMC Pickup Trucks. The purchases will be made utilizing the Oakland County Cooperative Purchasing Program and will be purchased through Red Holman Pontiac GMC Toyota, Westland, Michigan, in the amount of \$180,383.00.

DISCUSSION:

The City purchases cars and light trucks through the Oakland and Macomb County Cooperative Purchasing programs, and the State of Michigan Extended Purchasing program. Vehicles are purchased through these programs at a cost significantly lower than retail, and surplus vehicles are disposed of at a local auction house. Purchasing the vehicles at a discount, and selling them at public auction results in a relatively low life cost to the City.

These replacement vehicles were provided for in the 2005 fleet capital vehicle fund budget. There will be no additional staffing required. Budgets for these ten vehicles amount to \$241,690.00
