Liquor License - Revised Application

Attachments: Revised Liq License App.pdf

Ms. Bev Jasinski, City Clerk, presented the first draft of the new liquor license application. Committee members offered the following suggestions, noting that the application should request the following:

- * *Information on whether the applicant has ever operated a restaurant.*
- * *A history of liquor violations dating back ten (10) years rather than five (5).*
- * *A description, in the applicants own words, of the "value to the community" the establishment would provide.*
- * *The applicant's personal or business (whichever is most applicable) financial statements for the past two (2) years.*
- * *List of the various food and liquor certifications completed by managers and employees.*
- * *A description of the type or "character" of the proposed establishment.*
