RE: Youth Council Bylaws

---

On March 24th, the Youth Council met to create the bylaws that will govern the Youth Council program going forward. Council President Hill then met with Susan Galeczka and me to review the bylaws and make changes. It was Ms. Hill's recommendation that the bylaws mirror those of the Council Committees.

On April 11th the Youth Council met to review the second draft of the bylaws. Youth Council members expressed their desire to appear before the Administration & Information Services (AIS) Committee to discuss their further recommendations for the final set of bylaws.

Included in the AIS packet for the May 17th meeting is a copy of the second draft of the bylaws with the Youth Council recommended changes highlighted.

If you have any questions prior to the May 17th AIS meeting, please feel free to contact me (248-841-2462 or [stratem@rochesterhills.org](mailto:stratem@rochesterhills.org)).

Thank you.
