

2003 Alternative Energy Technology Business Personal Property Listing

Issued Under Authority of P.A. 593 of 2002, as Amended. Filing is Mandatory to Request an Exemption on Alternative Energy Personal Property.

This completed form must be received by Michigan NextEnergy Authority no later than 11/01/2003.

The information you provide in this Personal Property Listing is subject to audit and verification by the Authority and/or its designee. To be exempt from assessment under the General Property Tax Act (PA 206 of 1893), the personal property listed on this form must, except as provided in section 9c or 9i of the Act, (1) Be the personal property of the Certified Alternative Energy Technology Business filing the form - and - (2) Not have been previously subject to the collection of taxes under the General Property Tax Act - and - (3) Not have been previously exempt from the collection of taxes under the General Property Tax Act.

A separate form must be filed for each township, village or city where the Alternative Energy Technology Business personal property is located. If property is located in more than one school district within the same township, village or city, separate forms must be filed for each school district. Questions?? Contact Michigan NextEnergy Authority, (517) 241-5892.
