RE: Ad-Hoc Committee

At our last Community Development & Viability meeting, we considered the possibility of forming an Ad-Hoc Local Road Funding Policy Committee. Attached is a sample letter that may be sent to various Rochester Hills residents regarding the possibility of forming an Ad-Hoc Committee to review and develop strategies for a Local Road Funding Policy.

If the Community Development & Viability Committee determines a Local Road Policy Ad-Hoc Committee is the preferred method for gaining residential participation, the following items will need to be determined:

- Identify Target Members
- # of Members
- Committee Term Length
