Approval of the Older Persons Commission (OPC) Millage Renewal Plus Additional Millage

..body

Resolved that the Rochester Hills City Council hereby approves placing the following Proposal on the September 13, 2005 Primary Election:

Older Persons Commission (OPC) Millage Renewal Plus Additional Millage

(Pursuant to MCL 211.24f(5), the city is authorized to submit a single question asking for the renewal of a millage and an additional millage so long as the additional millage is not greater than 0.5 mills. The 1995 ballot approved 0.0245 mills, which has been reduced by Headlee to the present OPC millage of 0.0224 mills currently, and considering the 2005 rollback will be at the rate of 0.0222 mills for the renewal. The OPC would like to increase the total millage to 0.09 mills. As the difference of these two is 0.0678 mills, the city may pursuant to the statute, request for a renewal of the present millage and additional 0.0678 mills in one ballot question.)

Proposal

Shall the City of Rochester Hills renew and continue to levy a millage of up to 0.0222 mills (\$0.0222 per \$1,000) (reduced by the Headlee Amendment from the original 0.0245 mills) and also levy a new additional millage of up 0.0678 mills (\$0.0678 per \$1,000) for a total millage of up to 0.09 mills (\$0.09 per \$1,000) to provide funds to the Older Persons Commission to enable it to maintain or increase handicapped and senior transportation services, on the taxable value of all property assessed for taxes in the City for ten (10) years, beginning in 2005 and continuing through 2014 inclusive, which will provide and estimated revenue of \$304,647.00 if levied in full in the first year of such levy?

_____ Yes

_____ No

Be It Further Resolved that if there is not a City-wide Primary Election on September 13, 2005 that the OPC Transportation Millage proposal shall be moved to the November 8, 2005 General Election.
