Re: Resignation from the Board of Review

Dear Mayor Barnett:

This letter is to inform you that due to health issues I will be resigning my seat on the Board of Review effective immediately.

I also want to share with you that it has been a privilege to participate on the Board and to serve, in a small way, both the governance and citizens of Rochester Hills.

It has been especially rewarding to work with Kurt Dawson and Doug Walther as well as their well trained staff. As a recently retired real estate appraiser, I have spent many hours in neighboring communities Assessing Departments. Rochester Hills Assessing Department is one of the most thorough and accurate offices with respect to their records as well as the friendly and professional services it provides the public.

I wish you and the city well as you go forward with your responsibilities. On a personal level, I will miss the opportunity to serve.

Sincerely,

Patricia A. Gallagher
