NAME	Chas. F. Irish Co., Inc.	Michigan Lawn Maintenance Inc dba	RC Tuttle Refinishing Co	Salient Landscaping Inc.
ADDRESS	Warren MI	Sherman Nursery Farms, Columbus MI	Milford MI	Ypsilanti MI
Equipment List	List Provided	List Provided	List Provided	List Provided
Subcontractors	None	None	None	None
Philosophy Relative to Maintenance and Customer Service	Choose right tree & planting at right time using right planting methods. Maintenance is pro-active w/ proper watering, proper fertilizing & proper health care w/ monitoring conditions to insure survival & longevity of tree. Work to meet & exceed client expectations	Strives to provide top quality nursery stock that they grow or purchase. They service & guarantee work to the satisfaction of all govt, commercial and retail customers	Family run company and licensed nursery grower take pride in quality of their stock and work from seedlings to final acceptance of customer	Excellence in customer service; responsiveness; proactive instead of reactionary relative to maintenance; inspect site weekly; meticulous when cleaning up sites Handle every customer like only customer
If planting delay, trees storage to maintain healthy condition	Trees would be healed in, watered and fertilized	Have 8 acre site in Columbus Twp that is fully irrigated. All nursery stock is brought to this site prior to delivery to job site. All nursery stock is irrigated & mulched as necessary.	Planted in wood chips and dirt with irrigation system in place	Flexible delivery, store plant stock at their nursery; bring in wood chips to keep balls covered until safe to plant if space allotted for healing trees. Keep gator bags on trees-keep moist
Capabilities/knowledge relative to tree planting services	Planting & moving trees from 2' to 40" over past 102 yrs; responsible for writing many specs use in industry for planting trees. Company is noted in text books used to teach our profession.	Operated full service landscape contracting business for 43 yrs & growing nursery for 25 yrs. Pres is MSU graduate w/ Horticulture degree & licensed pesticide applicator. Also 20 yrs exp managing job sites. Owner has operated this business for 43 yrs.	Have completed tree planting projects that required planting of 4900 trees between April and August; have been planting trees for 19 yrs for multiple cities and parks	Support staff for communications, planning & routing crews; Crews are trained care of unplanted tree during delivery & planting; each hole augured twice as large of the root ball
Exceptions	Only exception are that the variety of tree to be planted at the right time. For example: Oaks (nut & certain flowering trees can only be planted in the spring of the year)	Merrill Magnolia - N/A Prunus First Lady or Pink Flair - N/A These trees are not available at this time.	Some trees may not be in stock during certain times of the year	No exceptions
