Hi Joe/Mike,

I had a hunch that this was going to be an old pre-RCRA dump site. I conferred with Marie Oliver of our Internal Services Section. She and I looked it up in RCRA Info. They're not a generator, not a transporter. The ID number is MID 980 504 625. It doesn't warrant an immediate

removal. Any jurisdictional issues would be with the State of Michigan, not R5 RCRA.

Ann--

I received this email last Thursday--according to Mr Silver he has already been discussing the matter with folks in R5 TSCA--but is uncertain if there are any RCRA jurisdictional issues as well...he would like the matter "coordinated" and of course wrapped up ASAP as the funding is about to go bye bye.

Mike--I will probably refer/defer further BF questions from Neil to you on this matter. The way it looks now--I'll be in at most 3 days between now and March 14...who knows there after. I would appreciate it if you could call him and confirm receipt of his email...thanks.
