Legislative File No: 2005-0499

TO: Mayor and City Council Members

FROM: Julie Jenuwine, Director of Finance (248) 841-2535

DATE: July 20, 2005

SUBJECT: FY 2006 – SMART Transportation Credits

REQUEST:

I recommend that City Council authorize the Mayor of Rochester Hills to execute and deliver the Fiscal Year 2006 SMART (Suburban Mobility Authority for Regional Transportation) Municipal Credit Contract Application in the amount of \$64,681.00 between SMART and the City of Rochester Hills.

The funds would then be transferred to the Older Person's Commission (OPC) on behalf of the City of Rochester Hills.

REASON FOR PURCHASE / BACKGROUND:

The City of Rochester Hills receives annual municipal credits from SMART that are to be used for the operation of a transportation program (i.e. Charters, Van/Bus Program, Taxi Reimbursement); or allow these credits to be transferred to another agency to administer on behalf of the City.

These municipal credits are a "pass-through" and the City incurs no additional costs. The City of Rochester Hills, the City of Rochester and Oakland Township all transfer their total credits to the Older Person's Commission for the support and operation of their Senior & Disabled Transportation Program.

The three municipal entities have been making these transfers to the Older Person's Commission for several years.

BUDGET:

The funds are to be transferred directly to the Older Person's Commission (OPC) on behalf of the City of Rochester Hills.
