Legislative File No: 2010-0278

TO: Mayor and City Council Members
FROM: Roger Rousse, Director of Public Service
DATE: June 24, 2010
SUBJECT: “2010” Pavement Striping Program – E09-043

REQUEST:

City Council is requested to authorize the award of the contract for the “2010” Pavement Striping Program to R.S. Contracting Inc, of Casco, Michigan in the amount of \$42,577.58 with a 5% contingency of \$2,128.88 for a total not-to-exceed amount of \$44,706.46.

REASON FOR PURCHASE:

The Road Commission for Oakland County (RCOC) recently received bids for their “2010” County-Wide Striping Program. R.S. Contracting, Inc. was awarded the RCOC contract, as the lowest, responsive, responsible bidder. R.S. Contracting, Inc has agreed to extend the RCOC pricing to the City of Rochester Hills for the “2010” construction season.

The Pavement Striping Program “2010” includes the application of sprayable thermoplastic for the City’s white and yellow longitudinal lines. The benefits of using sprayable thermoplastic over waterborne paints are as follows:

- 1) Thermoplastic is a more durable product and only requires one (1) application per year versus two (2) for waterborne paints.
- 2) Longer life with prolonged retroreflectivity (40 mil material versus 15 mil material).
- 3) Due to sprayable thermoplastic’s quick drying time, disruption to traffic is minimized since no coning off of roads is required.
- 4) Reduced potential for off-tracking of materials. This results in fewer or no claims due to fast dry time (product dries after marking vehicle has traveled approximately 200 feet).
