

Council Attendance/Per Diem Compensation Policy

The City of Rochester Hills City Council members are compensated in the form of an annual salary and per diem supplement as follows:

Base Annual Salary

Each year, prior to Council's last meeting in June, the Administrative & Information services Committee provides a recommendation to Council for the amount of the following year's annual base salary for the Council President and Council members

Per Diem Supplement

Each year, prior to Council's last meeting in June, the Administrative & Information services Committee provides a recommendation to Council for the amount of the following year's per diem supplement; and the required meeting attendance necessary (number of meetings) before the per diem compensation is applicable

Applicable Per Diem Meetings

Each year, prior to Council's last meeting in June, the Administrative & Information services Committee recommendations to Council for a list of the meetings applicable for receipt of the per diem compensation

The following is a guideline list of meetings applicable for per diem compensation:

- Meetings which Council members are formally appointed by Council as Council's representative (excludes ad hoc Communication Committees)
- Meetings which Council members are directed by Council/Council President to attend for city business, on behalf of Council or an official representative of the city
- Meetings (up to 4/yr) for the purpose of conducting additional business related to a committee, board or commission to which Council members have been formally appointed as Council's representative

All other meetings/functions attended by Council members are compensated as part of Council's annual salary
