*Re: Approval of ICCA/CMN Contract
PEG Funding for 2005*

Dear Councilperson Hill:

As your are aware, the ICCA has requested that the member cities approve the contract that has been negotiated between itself and Community Media Network. I am assuming that this has already been submitted to the Council by our representative, Jason Dale.

I am also requesting that the Council reconsider the earlier decision of April 6, 2005 as well as a subsequent decision to halt funding for CMN. After careful deliberation and with all due respect to the concerns of the Council and Mayor, I am sincerely recommending that the contract be approved and that funding for CMN also be approved retroactive to January 1, 2005.

I would request that these items be placed on the next Council meeting at which time I will be present to answer any questions that you or members of Council may have.

Thank you for your consideration.

Very truly yours,

15
