SUBJECT: Draft City Council Policy for Use of Electronic Communication Devices During City Council Meetings

The Administration & Information Services (AIS) Committee has held discussions regarding the pros and cons of Council members use of the Internet during Council meetings to ensure that Council is complying with the Open Meetings Act. A draft policy was provided by Ms. Hill with the intent to clarify the types of usage during Council meetings.

It was the consensus of the AIS Committee to recommend that the draft policy regarding Use of Electronic Communication Devices During City Council Meetings be moved forward to City Council for review and possible adoption.
