**TO:** Mayor and City Council Members  
**FROM:** Greg Hooper, City Council President  
**DATE:** August 5, 2009  
**SUBJECT:** Creation of a MR-42E Noise Barrier/Sound Wall Technical Review Committee

---

In discussion with residents and the administration, I propose to establish a technical review committee for a fair evaluation and ranking system of MR-42E. This committee is not a funding committee, but is expected to provide a recommendation for the criteria, metrics and development of individual rankings to prioritize the remaining ten (10) wall segments.

Please review the attached committee composition for discussion and possible adoption at the August 10, 2009 meeting.
