City of Rochester Hills Clerk's Office
1000 Rochester Hills Drive
Rochester Hills, MI 48309

Rochester Hills City Council:

My wife, Micheline Sommers, and I have resided in Rochester Hills for the past 21 years. During this time we have seen the increase in housing and commercial development that continues to encroach on open land. It is imperative that we protect and preserve open space for the future.

My education in Parks and Recreation Administration, coupled with earlier experience as Director of Parks and Recreation in both Niles, Illinois and Streamwood, Illinois will be an advantage to the Green Space Advisory Board. I have experience with securing and developing open land through Special Assessment, General Obligation Bonds, and Referendums. I have experience with developing Master Plans for underdeveloped and undisturbed lands.

Rochester Hills needs a focused, long term preservation and acquisition plan. We need to provide for strategically located open space avenues within our boundaries to assure that all citizens have equal access for active, passive and aesthetic recreational pursuits.

My background and experience lends itself to open and educated assessment for future Open Space consideration for the City of Rochester Hills. My successful career in Automotive Sales has provided me with the skills necessary to sell a concept not only to potential customers, but to the general public as well. Please consider my application for a position on the Green Space Advisory Board.

Respectfully,

Dahlvin D. Peterson
