Subject: Tienken Road Bridge – Detroit Edison, Relocation

The follow cost estimate is for required work on the pole that is located at the Tienken Rd. Bridge to make it safe for the reconstruction of the bridge. The work and material is as follows:

Relocation of overhead primary wires that are in conflict of construction, plastic wire guards to provide temporary protection, installation and removal of guards, and traffic control.

The following cost break down outlines the scope of work:

Relocate OH wire, install and Remove guards	\$ 15,696.00
Plastic wire guards	\$ 47,318.00
Traffic control	<u>\$ 2,125.00</u>
Total Cost of the Scope	\$ 65,139.00

This estimate is valid for six months.
