SUBJECT: OakGreen Grant Award, Letter of Support

REQUEST:

Staff is requesting a resolution of support for Oakland County’s OakGreen Local Model Showcase Sustainability Partnership Grant Application.

BACKGROUND:

The City partnered with Rochester and Auburn Hills to submit an application for the grant. We were recently notified that our application was successful, only one grant was awarded in Oakland County, and to finalize the process Staff is requesting a resolution of support for the project.

The grant provides \$50,000 and in kind County services towards joint sustainable planning efforts within the communities. A consultant will be selected by the County and Communities to evaluate their current sustainability planning efforts and to develop a plan for continued success. The planning process will assist in indentifying shared and individual goals and suggest implementation measures related to social, environmental and economic sustainability.

A copy of the grant application is attached for your review.

RECOMMENDATION:

Staff recommends approval of the attached resolution of support.
