Candidate Questionnaire  
Advisory Board For Green Space  
Written Statement  
By: Pamela Bratton Wallace

The most important gifts that I have to share with the Advisory Board for Green Space and the Rochester Hills community are those of community perspective and seasoned experience with regards to Green Space in the Rochester Hills Community.

I have enjoyed living in Rochester Hills for 38 years and working in the community in the field of education for over twenty years. This has placed me in the unique position of spending my days almost exclusively in the company of members of the Rochester Hills community and this has provided me an opportunity to intimately know and understand the community, its residents and its issues in a way that many people do not have the opportunity to.

In addition to my experience in the Rochester Hills community, I have also visited hundreds of towns and communities nation and world wide over the past twenty years exploring their green spaces and researching various preservation opportunities and efforts in communities ranging in diversity from Bolder, Colorado to McLeod Ganj, India. I have also studied the preservation efforts of our neighboring communities such as Oakland Township and Ann Arbor working closely with the individuals pioneering Green Space efforts in these communities.

I have also worked directly for the past five years on the Green Space movement in the Greater Rochester Community as an individual and also as a founding member of The Clinton River Greenway Preservation Group and Save Open Space Rochester Hills. Both groups are dedicated to the preservation of Green Space in Rochester Hills.

The Advisory Board for Green Space will benefit in a very positive way by having some of its members comprised of those who have a level of expertise and background in open space issues. Also important in the selection is those who have demonstrated a dedication and willingness to put forth the work necessary to further these important efforts in our community.

I thank you for the opportunity to apply for a seat on this important board.
