DATE: December 28, 2005
SUBJECT: City Council Policy for Per Diem Compensation

City Council at its November 2, 2005 meeting discussed reviewing a proposed City Council Policy for Per Diem Compensation. At that meeting, the Administration and Information Services Committee recommended the proposed policy presented by Council Member Hill be moved forward to Council for discussion and possible adoption. After discussion, it was the consensus of City Council to take no action nor make any recommendation regarding the policy and to allow the incoming Council to set its own policy regarding this issue.

Attached is a copy of the proposed Policy as well as the minutes from the Administration and Information Services Committee.
