TO: City Council Members
FROM: James Rosen, City Council President
DATE: December 29, 2005
SUBJECT: City Council Policy for Use of Electronic Communication Devices during City Council Meetings

City Council at its November 2, 2005 meeting discussed reviewing a proposed City Council Policy for Use of Electronic Communication Devices during City Council Meetings. At that meeting, the Administration and Information Services Committee recommended the proposed policy presented by Council Member Hill be moved forward to Council for discussion and possible adoption. After discussion, it was the consensus of City Council to take no action nor make any recommendation regarding this policy and to allow the incoming Council to set it's own policy regarding this issue.
