**Re: Upgrade of Existing Non-conforming Residential Street Name Signs
Section 9**

Dear Mr. Mr. Kolanek:

The City of Rochester Hills' Department of Public Service will be in your subdivision next spring to replace the existing non-conforming street name signs to those required by the Michigan Manual on Uniform Traffic Control Devices (MMUTCD). The new signs will have white lettering on a green retro-reflective background (a copy of the MMUTCD requirements is enclosed for your reference).

The intent of this letter is to allow the Grosse Pines Homeowner's Association (H.O.A.) sufficient time to inform residents of the upcoming changes to the street name signs, and to allow City staff an opportunity to answer any questions that may arise. At this time, there are no specific dates set for the sign upgrades. However, once we have decided on a date to commence the work, we will notify the H.O.A. to begin the coordination of sign change-out and, if requested, to assist the H.O.A. in salvaging any of the existing signs.

If you have any questions or need additional information, please feel free to contact me at (248) 841-2489.

Sincerely,

Paul G. Shumejko, P.E., PTOE
Transportation Engineer
