RE: Bylaws – Draft 2

---

Included in your packet is the second Draft of GSAB Bylaws, which includes the changes the Board requested at its previous meeting. In addition, proposed language options have been included regarding “ Attendance” found in Article II, Section 2c. and “Conflict of Interest” found in Article XIII, Section 2

Once the Board has finalized its Bylaws, it will need to approve them and refer them to City Council for approval.

As always, if you have any questions or concerns, please feel free to contact me.
